Arden Sailing Club

Committee meeting held remotely (Zoom) Monday 29th June 2020 at 8pm
To discuss the current situation

Present

Keith Stevens KS, Steve Ryder SR, Ralph Evans RA, Helen Williams HA, Kevin Williams KW.

Apologies

David Yule DY, Ken Pinfield KP, Kevin Powell KP.

Strand Up Paddle boarding (SUP)

The committee discussed the approach from WitteringSUP to run paddle boarding sessions from the club. KS, SR and KW met James Wittering last week to discuss the possibility. The committee agreed to give it the go ahead. Gearge Revill has been consulted and given his support. A further meeting with James is now needed to discuss income to the club.
The committee felt once trained people could become members of the club to continue to paddleboard from our site.
SR will liaise with James for the first training session to take place on Thursday 2nd July.

Covid 19 restrictions

The current restrictions were reviewed, it was agreed no change now. Further reviews will take place as government and RYA guidance changes.

Sailing Secretary

A trial race is to be tried next Sunday July 5th, weather permitting, using one person in the small rescue boat. SR to announce on SPOND and invite members to participate. If successful this could pave the way for racing until restrictions are lifted.

Bosin

Repairs to the Starters box roof are needed. SR and KW to liaise and re-felt part of the roof.

The possibility of burying an armoured power cable to the Starters box was discussed. RA to see if the cable we currently have stored is suitable.
